Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, **Swamp-Root**. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Misses Sue and Fay Long, who attended the nuptials of Wayne Long, their brother, and Miss Jeannette Gridley, at Newark, O., on the 22nd ult., returned Tuesday and are very much pleased with their outing.

Long-Gridley.

At 7 o'clock Monday evening in the Central Church of Christ a very pretty marriage took place when Rev. H. J. Derthick, of Hazel Green, Ky., assisted by Rev. J. N. Sholes, united the lives of Miss Jeannette Gridley, daughter of Mrs. Margaret Gridley, of 81 Hoover street, and Mr. Wayne Fletcher Long, an instructor in the Church of Christ Mission school of Hazel Green, Ky., where the bride has also been teaching, and where the friendship first started that culminated in the tying of the nuptial knot last evening.

The bride, attired in a Japanese silk gown with chiffon and Venice lace and wearing a full length misty veil, was given away by her mother. The maid of honor was Miss Sue Long, a sister of the groom, of Kentucky, and the bride's maids were Misses Katie Burch and Mabel Cochran, of this city. The bride was also attended by Miss Carolyn Gridley, of Charlotte, Mich., who in a dainty white frock acted as flower girl and carried the bride's bouquet of bride's roses. The groom was attended by Mr. B. O. Horton, of this city.

The beautiful ring ceremony was used and the ring was carried in a rose by Master Minor Lee Taylor. Mr. Walter Stage acted as usher.

Immediately after the ceremony Mr. and Mrs. Long left for Washington, D. C., from where, after a short visit, they will go to Richmond, Va., and spend the summer, where Mr. Long will have charge of a church.

The groom is one of Hazel Green's most popular citizens and learned instructors and is a graduate of Hazel Green academy and Bethany college, W. Va. The bride received her diploma from the University of Michigan. When Mr. and Mrs. Long take up their residence in Hazel Green this fall they will both continue teaching in the Mission schools.—Newark (O.) American-Citizen.

A Ghastly Find.

Johnny Kash last Sunday excavated a mound on his place and unearthed the bones of two human beings complete from teeth to toe nails. As they were buried head to foot, that is, one skeleton lying one way and the other alongside the other way, they showed to be complete. For instance, the teeth of one set of bones were at the toes of the other. No sign of coffin or wood protection was to be seen, but a crude wall was built lengthwise the skeletons and over them was a pile of rock. Arrowheads and a large piece of flint were found in the same place. No Indians are known to have inhabited this immediate vicinity since 1818, and the query comes whose bones are they.

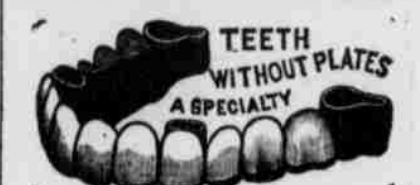

T. E. Muggerridge and wife, Mrs. D. R. Kimbrough and Mrs. W. G. Swartz, of Cythiana, and Mrs. Jameson, of Frankfort, arrived Monday for an indefinite stay at the Swango House.

Elsewhere will be found Dr. J. H. Stamper's dental card, and the man or woman who thinks he can not do the best work should call and see the editor of this paper.

In the Morgan Circuit court this week Nelse Bishop, for killing young Whitaker, was convicted and sentenced to the penitentiary for a term of two years.

\$100 REWARD! \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.

Some say I am too high, Prove the truth, give me a try.

Come in and see me and I will surprise you. Have me fix your teeth and if you are not satisfied I lose. Ain't that fair?

THINKING OF MOVING WEST?

All fine, level, productive land that will grow anything under the sun, at prices ranging from \$15 to \$40 an acre, and come where life is made tolerable by easy, profitable farming. Why sweat and fret life away in the vain effort to eke out a mere miserable subsistence from the rock-ribbed, root-laced hillsides as your father and father's father did, when there is so much good land to be had yet awhile for a mere song? Get out of the rut—break away from the time-worn habit that keeps your nose to the grindstone. All it takes is resolution and a little nerve. Write me, and let me help you to a better condition.

Heart Troubles

The heart may be weak just the same as the eyes, stomach or other organs. It often happens that a person is born with a weak heart. Then again disease, fevers, over-exertion, anxiety, nervousness, rheumatism, etc. weaken the heart. The result is shortness of breath, palpitation, pain in the heart, or in some of the nerves of the chest or abdomen. The heart should be strengthened with a tonic, and for this nothing equals Dr. Miles' Heart Cure.

"I had LaGrippe last fall as I thought in a mild form. I was weak, tired feeling, and short of breath; could hardly do about, and a good deal of the time sort of an asthmatic breathing and extremely nervous. I began taking Dr. Miles' Heart Cure and Nervine and now I feel so much better in every way. I am so thankful that I began taking this medicine, and shall not hesitate to tell others how much good it has done me."

OFFICIAL CALL

The Democratic Executive Committee of the Tenth Congressional District at its meeting in Mt. Sterling recently made the following official call:

First—It is ordered that mass conventions be held at the courthouse in each of the respective counties composing the Tenth Congressional District at 1 o'clock p. m., Saturday, July 11, 1908, for the purpose of selecting and instructing, if so desired, delegates to represent the said counties at the general convention hereinafter provided for.

Second—Said delegates so selected at the various county conventions shall assemble in a general district convention to be held at Estill Springs Hotel, Estill county, Ky., Wednesday, July 15, 1908, at the hour of 10:30 o'clock a. m., for the purpose of nominating a Democratic candidate for Congress in said Tenth Congressional District of Kentucky, to be voted for at the November election, 1908, and to adopt such resolutions and transact such business as may properly be the subject of consideration by said convention.

Third—All persons who are devoted to the principles of the Democratic party, and desire to see those principles succeed, and who by participating in said conventions feel in honor bound to support the Democratic nominee in the next November election, and who will be legal voters in the precinct in which they now live (if they continue to live in the same precinct until the November election, 1908), shall have the right and are invited to participate in said county conventions.

Fourth—In said general convention each county shall be entitled to one vote for each 200 or fractional part over 100 votes that were cast for Judge Alton B. Parker for President in 1904.

Fifth—The Chairman and Secretary of this meeting are directed to advertise the said county mass conventions and said district convention through the Democratic press of the district, and in such other manner as to them may seem expedient and proper.

FINLEY E. FOGG, Chairman.
E. W. SENFF, Secretary.

\$25 in Free Presents.

The Wolfe County Democratic Primary Election to select candidates for the various county offices will be held in the summer some time, and THE HERALD avails of the occasion to increase its subscription list and at the same time give its subscribers \$25.00 in useful articles, such as watches and chains, razors, combination handy tool holder, &c.

This is in no sense a lottery but an educational problem, in which each new subscriber, and each old one who pays up and renews, will have the opportunity to exercise his brain in estimating the vote to be polled, at the coming Democratic Primary Election.

The price of THE HERALD is \$1.00 a year, in advance, and every subscriber is entitled to one estimate. Old subscribers who pay up arrears and one year in advance are also entitled to one estimate. The one who sends in the closest estimate will receive a gold plated watch and chain; next nearest gold plated watch and aluminum fob, next a fine razor, &c. Use the estimate coupon attached. Write your name plainly and make figures of estimate very distinct. Then enclose \$1.00 with the coupon and mail to this office. These coupons will be filed and the day after the election a disinterested committee will take charge of them and determine who is entitled to the presents.

The Presents That Will Be Awarded.
The person making the nearest estimate will receive a gold-plated American watch, good time piece, and plated chain, \$10.00
The person making the second closest estimate will receive an American watch, good time piece, and aluminum fob, 6.50
The person making the third closest estimate will receive an American made razor, as good as any ever produced, 2.50
The person making the fourth nearest estimate of the vote at the primary will receive the same kind of razor, 2.50
The person making the fifth nearest estimate of the total vote at the primary gets a razor of the same kind, 2.50
The person making the sixth nearest estimate to the total vote cast will receive a combination pocket tool case, 1.00

BASED UPON WHICH TO MAKE ESTIMATE.
The total Democratic vote polled in the Congressional election of 1906 was 879, and in the Governor's election of 1907 Mr. Hager received a total of 899 votes.
